Need to know the time of the next bus from any particular bus stop? As well as contacting traveline Cymru by phone or the internet, you can receive bus times via text message (sms)!

step 1

it's as easy as 1,2,3 - how?

There are over 14,000 bus stops in Wales - each has a unique 7 letter code. To find out what your bus stop code is, look at the bus stop - the information you need will be on every bus stop in Wales or visit the traveline cymru website at www.traveline-cymru.org.uk or call traveline on 0871 200 22 33

step 2

Send the bus stop code as a text message to the traveline text number 84268 (charged at normal tariff). If you want your reply in Welsh add a space then the letter C to the end of the bus stop code. To revert to English add a space then add the letter E to the end of the bus stop code.

step 3

You will then receive a reply via text message within 30 seconds showing:

- The times of up to the next 4 buses due at that particular stop.
- The service number of each bus.
- The destination of each bus.

it's as easy as that!
